## TRAINING

- Permit to work Supervisor BP.
- Advanced Safety Auditor BP.
- Behavioral Safety Auditor V.KSI Ltd.
- Constr,Quality Mgmt Sys. TUV.
- EN 473 RT,PT II Crs attn. TUV .
- Welding Insp Crs.CSWIP - TWI.
- 3.1 welding inspection course.

## CERTIFICATES

### MEMBERSHIP

Member of TWI 2009

### NDE

DPI Level-II (EN-473),TUV qualif.  
Cert. 2008.

RT Level-II (ASNT-CP-189) qualif.  
Cert. 2013.

### INSPECTOR

3.1 weld. inspector cert. 2021

# Aziz Yucetepe

*Welding Supervisor,  
Welding Inspector*

## ABOUT ME

**Petroleum & Gas Industry - Power Industry - Petrochemical industry**  
Significant exp. gained in the welding and fabrication industry.Working Offshore / onshore Power station, petrochemical plant, oil refineries at fabrication yard on green field sites and live Installation. Welding Opr. / Welding Inspector / Supervisor / Trainer (**32 Years**), taking full responsibility for Production welds made on sites. Deployment of welding crews and compliance of approved welding Procedure and protocols.Over see and ensure the quality of workmanship as per client specifications.Calling up intermediate and final N.D.E carry out welder qualification test using approved welding procedure in adherence to client specifications in conjunction with **ASME IX / B31.3 EN 287-288 EEMUA 158. API 1104 BS 4515** advanced safety Audits,stop cards and Risk Assessment. Multi Coded Welder (**15 Years**) with good hands on experience on the following processes. **SMAW, GTAW, SAW, GS-FCAW** and fully automated techniques,using CSR and wire fed application on Polysoude and Dimetrics orbital welding heads.

## TECHNICAL SKILL

- Experience gained in power plants, refineries, oil & gas processes plants, on-shore gas & oil pipelines, process piping, low pressure & storage tanks, and heavy steel structures.
- Deep Exp. in fab. and erection of piping, boilers, pressure vssls, furnaces, tanks, heaters and structural steels.
- Expert skills in preparation of spooling, weld map, pressure test packs, piping & weld log book and fab and erection progress follow up records.
- Sound exp. with International codes and standards; **ISO,DIN,EN,BS-ASME, ASTM, ANSI, ASNT & API**.
- Exceptional knowledge of multi-national companies specifications like BP, Exxon Mobil, Fluor, Technip, TR, Mitsubishi.
- Eperience in quality and welding inspection, NDT testing (VT,PT) and welder's qualification.
- Closely worked with **SMAW, GTAW, GMAW / GS-FCAW, SAW** and fusion cutting processes with their components and consumables.
- Experience in welding and quality inspection of Carbon Steels, Low Temperature **CS, SS, Duplex and Super Duplex Stainless steels, Alloy steels** and their welding consumables.
- Upper Intermediate verbal & written commun. skills in English & native in Turkish & fluent in Azerbaijani.

### **Weling Supervisor**

Basrah , Iraq

2024 – 2025 . 10 mo

- Supervision on Piping Fabrication & Erection welding
- Responsible for organizing material and personnel for all welding activities (piping and plates)
- ***Coordination with construction management and cooperation with Quality control*** for all welding concerns.
- Supervision of all the welders (**SMAW, GTAW**) during the perf. of the works.
- ***Reporting compilation of all final QA / QC, NDT*** and Progress Follow-up etc.

### **Weling Supervisor**

Baku , Azerbaijan

2022 – 2024 . 15 mo

- Supervision on Piping Fabrication & Erection welding
- Responsible for organizing material and personnel for all welding activities (piping and plates)
- ***Coordination with construction management and cooperation with Quality control*** for all welding concerns.
- Supervision of all the welders (**SMAW, GTAW**) during the perf. of the works.
- ***Reporting compilation of all final QA / QC, NDT*** and Progress Follow-up etc.

### **Weling Supervisor**

Baku , Azerbaijan

2021 – 2022 . 12 mo

- Supervision on Piping Fabrication & Erection welding
- Responsible for organizing material and personnel for all welding activities (piping and plates)
- ***Coordination with construction management and cooperation with Quality control*** for all welding concerns.
- Supervision of all the welders (**SMAW, GTAW**) during the perf. of the works.
- ***Reporting compilation of all final QA / QC, NDT*** and Progress Follow-up etc.

### **Weling Supervisor**

Mozyr , Belarus

2020 – 2020 . 8 mo

- Supervision on Piping Fabrication & Erection welding
- Responsible for organizing material and personnel for all welding activities (piping and plates)
- ***Coordination with construction management and cooperation with Quality control*** for all welding concerns.
- Supervision of all the welders (**SMAW, GTAW**) during the perf. of the works.
- ***Reporting compilation of all final QA / QC, NDT*** and Progress Follow-up etc.

**CERTIFICATE**

FOR: WELDING SUPERVISOR AZIZ YUCETEPE  
TO: WHOM IT MAY CONCERN

In the time April 2008 to April 2009 Mr. Yucetepe has been working on the Oguz-Gabala-Baku Water Pipeline Project wellfield construction for Arsan- Özalp Joint Venture as Welding Supervisor and Inspector for Non-Destructive Testing of field welds.

He planned and implemented PQRs & WPQs in coordination with material testing company MQS based in Baku / Azerbaijan. Materials welded on site and field workshop prefabrication have been low carbon steel (St 37) and stainless steel (AISI 304L) piping installed in wells of 150 m depth and up to DN 550.

In addition he managed and arranged for well trained welding personnel. For quality management he executed visual welding inspection, followed up welding design requirements and applied dye penetrant testing on stainless steel welds.

In addition he supported the Contractor AO JV in the construction of piping appurtenances, elevators and clamps for pipe installation.

Mr. Yucetepe executed his work successfully and to our satisfaction. We wish him success in his future professional life.

Dr. H. Haenisch
